COURSE DESCRIPTION:

This comprehensive 5-hour Photoshop basics workshop is designed for artists that understand the importance of taking control of the presentation of their work. No previous Photoshop experience is required.

This workshop will cover the general principles of Photoshop manipulation specific to the needs of artists. It will focus on image/file formats, image sizing, cropping, and image correction. It will also cover the following areas in detail:

1. Workspace
2. Basic tools
3. Layers
4. Copy & Paste
5. Adding text
6. Adding Backgrounds
7. Work Flow
8. Special image effects
9. File management

This course will also cover accepted practices for submission requirements to juried competitions, publications and newspapers (both online and hardcopy). The preparation of images to be used in promotional materials and website use will also be discussed.

The material will be presented through both lecture and demonstrations by professional artist, D. Michael Coffee. Coffee's professional experience in both traditional and digital graphic design processes, over the last 30 years, is the basis for the information presented in this course.

CLASS SIZE and CANCELLATION POLICY:

Workshops will be limited to a maximum of 8 participants with a minimum of 4 required for workshops to proceed as scheduled. SHY RABBIT Reserves the Right to cancel workshops with less than 4 registered participants up to 5 days before the scheduled workshop date. Registered participants will receive a full refund for cancelled workshops or may choose to apply fee toward future workshops.

If you have a group of 4 or more and wish to schedule a private workshop, please contact

Denise Coffee at: 970-731-2766 or shyrabbit01@aol.com

REGISTRATION and METHOD OF PAYMENT

Fee is payable at time of registration and is nonrefundable for any event other than cancellation of workshop by SHY RABBIT. The preferred method of payment is via credit-card (Visa or M/C).
